Things to keep in mind:

- Quiet hours begin at 10pm, we have neighbors and campers who go to bed early!
- If you get off early from a work site, feel free to use that time as you please. Our staff will lead your team in activities (archery, challenge course, games, etc.) when you come back to camp.
- Please, please no food in the cabins! We don't want to attract critters!
- Bring your vehicles back with at least a half tank of gas, you never know where you may go the next day.
- We love to encourage leadership here at Twinlow! Each group will be in charge of leading a campfire, and we encourage the youth to participate as much as possible. The staff are there to help lead and guide your camp experience, but they can also step out of the way if needed.
